Remark 1. This specific product series are specified as open junction. In case of GPP, end of P/N is marked with "G".

2. End of P/N marked with "W" denotes round wire lead.

End of P/N marked with "L" denotes round wire lead with 90 degree bending.

End of P/N without any capital denotes square wire lead.

3. End of P/N marked with "S" denotes Package BR8.
